

## 2021 Return to Events Updates

Swim Across America is dedicated to providing a safe return to events in 2021. Following local, state and national guidelines, along with collaboration amongst leading experts in the risk management, event, medical, and aquatics communities, COVID 19 will impact how we host our charity swims.

Considering a multitude of unique factors within each of our communities, including rules or regulations that local authorities issue on a dynamic basis, Swim Across America appreciates your understanding and adoption of essential adjustments as we continue our commitment to safety as the #1 priority for our participants, volunteers and community.

Please check this page regularly for general guidelines, as well as amendments pertaining to your specific swim.

- Facility, local, state, and federal guidelines must be followed by all participants, staff, volunteers, and spectators
  - Be familiar with your local guidelines, especially if you are traveling to / from another location
- Exposure considerations
  - If you are sick, feeling sick, have been exposed to someone who has been sick, or someone who has been exposed, do not travel or attend the event.
- What changes might you expect at a Swim Across America Charity Swim in 2021?
  - Potential gathering limits
  - Pre-screening guidelines
  - Adjusted registration / check-in process
  - Possible course changes, including start times
  - Social distance, PPE & enhanced sanitization measures
  - Modified aid (food & water) stations
  - \*All event specifics are subject to change
