# POLICIES

## **Water Temperature and Wetsuit Policy**

Expected water temperature is around 80°. Wetsuits are permitted between 76.1° F - 83.7° F, thus are considered optional for Saturday's swim. Swim skins are permitted.

## **Inclement Weather Policy**

The safety of our events is our top priority. Due to the nature of open water swimming events taking place outdoors, safety concerns, including inclement weather, can necessitate a change to the original event plan. In the event of adverse weather conditions, the Event and Safety Directors, in conjunction with SAA National, local safety entities and/or law enforcement, may delay the event, modify the course, cancel the event, or move venue location. If safety concerns necessitate a change to the original event plan, Swim Across America will promptly notify participants via the event website, email and social media.

## **COVID-19 Safety Information**

Each of our charity swims will follow local safety guidelines. To prevent the spread of COVID and reduce the potential risk of exposure to our participants and volunteers, we respectfully and cautiously ask anyone who is sick, feeling sick, tests positive for COVID-19, or has been in close contact with a person who has been diagnosed with COVID, that you do NOT attend the event. Please be mindful of the health and safety of others at all times.

If you have questions about our policies regarding inclement weather, swim equipment or wetsuits, please consult our [Policies page](#).
