# POLICIES

## **Water Temperature and Wetsuit Policy**

Expected water temperature is approximately 80° F. Wetsuits are permitted if the temperature is below 80°.

## **Inclement Weather Policy**

The safety of our events is our top priority. Due to the nature of open water swimming events taking place outdoors, safety concerns, including inclement weather, can necessitate a change to the original event plan. In the event of adverse weather conditions, the Event Director and Safety Liaison, in conjunction with SAA National, local safety entities and/or law enforcement, may delay the event, modify the course, cancel the event, or move venue location. If safety concerns necessitate a change to the original event plan, Swim Across America will promptly notify participants via the event website, email and social media.

If you have questions about our policies regarding inclement weather, swim equipment or wetsuits, please consult our [Policies page](#).
