

Swim Across America College Cup FAQs:

Q: Who can participate in the SAA College Cup?

A: The College Cup is open for any current college students and college alumni to participate.

Your team can be made up of all students, all alumni, or a mix of both!

Q: How can we participate?

A: Teams can participate in the College Cup by registering for one of our [Open Water](#) charity swims, joining or starting a [Pool Swim](#), or participating virtually with our [SAA My Way](#) program.

Q: Can we participate in the College Cup individually (without a team)?

A: To be eligible to compete in the College Cup **you must start or join a team (a team can be as little as 1 person!)**. For detailed instructions on how to get your team registered for the College Cup, [click here](#).

Q: Where will the funds go?

A: Your fundraising will support innovative early stage cancer research and clinical trial programs at the top institutions across the country.

Q: Is there an extra cost associated with participating in the College Cup?

A: There is no additional cost associated with participating in the College Cup! Swimmers and teams will follow the guidelines of the local swim they are attending. Open Water swims may require a self donation to register, while most pool swims have free registration.

Q: What if I forget to select the dropdown to participate in the College Cup when registering my team?

A: No problem! Just email us at info@swimacrossamerica.org and let us know the event you are participating in and the team name and we will add you to the College Cup.

Q: What if my teammate forgot to join our team?

A: Don't worry, it happens. Just email us at info@swimacrossamerica.org to let us know the swimmer's name and team name and we can get them added to your team.

Q: I don't see my team on the list of participating teams on the College Cup page. What should I do?

A: The full list of participating teams will be updated on a weekly basis. If your team is not appearing this list after one week, please email info@swimacrossamerica.org to let us know!

Q: How do you win the College Cup competition?

A: Fundraise, fundraise, fundraise! The top three individual fundraisers and the top three fundraising teams will win awesome prizes to be announced soon! Additionally, every team will have the chance to win a VASA trainer just for participating the College Cup!

Q: When will the College Cup end and winners be announced?

A: The College Cup competition will close on December 1 with winners announced shortly after.
